

Perfect Potty Training Tips

When do I bring my new puppy outside to go potty? Immediately after:

- Eating
- Playing
- Sleeping

Don't:

- Punish your dog for an accident. Do not rub their nose in it, yell, or get angry.
- Never leave your potty training pup unsupervised!

Do:

- Reward your dog for generously going in the correct place (outside or potty pad)
- Clean up accidents immediately using an enzymatic cleaner.
- Keep your puppy supervised at all times.
- Keep your puppy on a regular schedule. It will be easier for your puppy and you!
