

## **Transferring Ownership of a Community Cat to a Provider/Owner(s) Name:**

Provider/Owner(s) must start by contacting the Humane Fort Wayne Clinic and then the microchip registry

- Contact the HFW Clinic at 260-420-7729 X 0, provide us with your phone number, name, and address so that we can update the microchip information in our database
- Go online to transfer the chip
  - <https://microchipregistry.foundanimals.org/>
- Register as a user (Pet Owner/Rescue)
  - You must have an email address in order to register
- Register the pet with the microchip number provided
  - If you get a message stating that the animal is already registered, use the “contact us” link to email found animals.
  - State that you have adopted the animal and you would like the animal registered in your name
  - Found animals will contact the HFW Clinic, we will verify that we can release the chip to the new owner and you will receive notification stating that the animal is now in your name
