## FORT WAYNE PET FOOD PANTRY

**In 2018, we tripled the amount of food served in prior years.**

We provide pet food at no cost to pet owners who are struggling financially and cannot afford to feed their pets.

By providing free pet food to those in need, we are able to:

- ▶ Reduce the number of animals taken to a shelter.
- ▶ Reduce the number of animals euthanized due to overcrowded shelters.
- ▶ Relieve pet owners of the emotional stress of not being able to feed their pets.
- ▶ Preserve the loving relationship that pet owners share with their pets.

**Our new location at 2502 Church Street is the cat's meow!**

We have so much to be thankful for this year! With the dedication of our volunteers and donors, we were able to serve more food this year than ever before. We added 4 local businesses to our list of donation sites and extended our services to more local church food banks. We're so excited about leasing our own building in October! We can operate more efficiently, accept more food donations, and create more volunteer opportunities. All of you made this possible with your generous donations over the years, and our volunteers who have worked so hard to establish FWFPF by supporting our mission. From the bottom of my heart, thank you all so very much!
