**FORT WAYNE PET
FOOD PANTRY**

**2020 marks our 10th year
serving the pets of Fort Wayne.
We serve over 100 clients at a
typical distribution.**

We provide pet food at no cost to pet owners struggling financially who cannot afford to feed their pets. By providing free pet food to those in need, we are able to:

- 🐾 Reduce the number of animals taken to a shelter.
- 🐾 Reduce the number of animals euthanized due to overcrowded shelters.
- 🐾 Reduce the emotional stress of pet owners not being able to feed their pets.
- 🐾 Preserve the loving relationship pet owners share with their pets.

Message from FWFPF Founder:

2019 continued the trend of each year being busier than the last, which means we are keeping more pets at home with their families than ever before! Nine years of hard work, generosity, and passion from so many people have resulted in our own building, a large team of dedicated volunteers, a strong Board of Directors, and generous donors who support our mission. July was the right time for me to take a step back from my position as Director and welcome Rochele Watson to our team. Rochele quickly demonstrated the can-do attitude we were looking for in a new Director. She has worked hard to enlarge our volunteer and donor base, and implemented several great ideas to increase awareness of our mission. I look forward to what the future holds for Fort Wayne Pet Food Pantry. Thank you all for your support! I really do appreciate it.

Message from our Executive Director:

Fort Wayne Pet Food Pantry volunteers, donors and supporters; Thank you for allowing me to serve my community as the new Executive Director of this program as we enter our 10th year of operation! We have seen some changes this year and I want to give my gratitude to our board of directors for their support as we served 75,000 pounds of dry pet food in 2019! We also have expanded our service hours and are now serving more families than ever! FWFPF is welcoming new faces, as well! Our volunteer program is recruiting from our community and we are so excited to work hand in hand with local companies choosing FWFPF as a service day location. My hope is that we can meet as many families' pet food needs as possible in 2020.

Thank you for supporting our mission,
 Rochele Watson, Executive Director
