

# SPONSORSHIP OPPORTUNITIES

Help us create a compassionate world for pets and their people.

At Humane Fort Wayne, love drives everything we do.

We are an organization comprised of an animal shelter, a high-volume spay/neuter clinic, a low-cost wellness clinic, and pet-owner social services - in short, we are a comprehensive animal welfare organization doing whatever it takes to help pets and the people who love them.

We are solely supported by donations and grants, we owe our success to the kindness of others.
