Program Details

WHAT IS IT?

\$15 community cat surgery package while funding lasts! **Additional charges may apply.

This package is intended for free-roaming, unowned cats only. Package includes: spay or neuter surgery, rabies vaccine, microchip & mandatory ear tip. Limit of 2 cats per household per day.

WHY?

Humane Fort Wayne aims to improve the lives of the roughly 60,000 free roaming cats in our region through access to affordable spay/neuter services. This is one of the best ways to reduce the number and improve the health of cat populations.

WHO?

City of Fort Wayne residents ONLY. Address will be verified at check-in to confirm residence within city limits.

WHEN?

Beginning February 2026. Walk-ins are accepted Mon-Wed at 7:30AM. Limited to 10 walk-ins per day. **Acceptance is not guaranteed. Holidays, weather, and HFW events may impact our schedule.

HOW?

Cats must each arrive in separate 14" humane live traps, or a \$10 transfer fee applies. Keep indoors the night before if possible and no food past midnight.

We offer Feline Distemper vaccines for \$2 at the time of surgery. Additional services including vaccines, Felv/FIV testing, or parasite treatments are also available at regular price. No additional charge for pregnant cats to be spayed.

WHERE?

Community Cat Walk-ins are only accepted at our Spay/Neuter clinic located at 1333 Maycrest Drive.
